

# **SHEIKH KHALIFA SECONDARY SCHOOL**

## **FORM ONE 2021 SUBJECT SELECTION FORM**

### Instructions to the students and Parents/Guardians

1. A student is required to study a total of **EIGHT** subjects. These are the subjects he/she would be examined upon in the form four National Examination, namely the Kenya Certificate of Secondary Examination (K.C.S.E.).
2. The school is strongly recommending study of the **three** sciences namely; This is because there are a wide variety of courses a student would have access to at the university level, on the event of studying the **three** sciences compared to only **two** sciences.
3. On selecting the **three** sciences a student would be left with only **one** more subject to pick from the three groups listed below.

#### **Group three**

History or Geography

#### **Group four**

Agriculture, Business studies, Home science.

#### **Group five**

Arabic

4. On the event a student still opts for **two** sciences one of which is Chemistry then the student will have to choose two more subjects; **one from any two of the three groups above.**
5. The following subjects remain compulsory for **all** students of our school;  
**Chemistry**  
**Mathematics**  
**English**  
**Kiswahili**  
**Islamic Religious Studies.**
6. All students are required to submit their selection of subjects by end of first week of form two, first term 2021.

7. Students **will not** be allowed to change their subject combination after first four weeks of first term, 2021.
8. The Parent/Guardian must sign the form below as proof of knowledge and consent of student subject selection. The forms must be signed.
9. For any queries or clarifications the students can consult their respective class teachers or Head of Career Unit; Madam Fadya Abdulkarim on the mobile phone number 0724299796 during office hours from Monday to Thursday.
10. A copy of the form one subject selection form will also be uploaded on the school website. You can print an extra copy when required.
